# 'UP a failure in checking corona, crime'

**PRAYAGRAJ:** Senior AAP leader

He said that UP CM Yogi Adityanath had completely failed in checking the 'Gundaraj' and that though Yogi had come to power with the promise of setting up 'Ram Rajya' in the state, UP had today become 'Firauti (extortion)Pradesh' under him.

He quoted the recent killing of the eight policemen in Kanpur, murders of journalists in Ghaziabad and Unnao, as well as the frequent cases of rapes and incidents of BJP leaders'

"It is normal to ask who is safe in UP other than criminals as the state has become a state of crime under CM Yogi," he said. He also raised a question over the timing of the proposed 'bhumi pujan' for the Ram temple in Ayodhya at a time when

At a time when there are restrictions on offering prayers in temples and mosques and even Kanwar Yatra has been cancelled due to Corona spread, this ceremony could have been planned some time later in the future,' he added.

On whether the event was being held in the light of the state assembly elections due in the state in 2022, Singh said that the BJP no longer had any people-centric issue and was solely focusing on politics of religion, caste and hate.
